Salvage Crew Gets Metal

Army Officer Is Pleased at Drive

Another Week Will End the Campaign; Citizens Urged to Turn in Their Metal

The salvage platoon from the Amarillo Army Air Field will be operated in Randall county for approximately another week, according to statement of Lt. Clyde Hendrickson, officer in charge of operations.

The platoon moved into Randall county on Monday of last week from Hale county. There are 44 enlisted men with 16 vehicles in the organization.

Lt. Hendrickson stated yesterday that two carloads of scrap metal had been shipped. He praised the splendid co-operation which the men had received in Randall county. It is believed that five or six carloads of metal will be shipped before the men close their operations in the county.

The platoon is housed in the American Legion where army cots are set up for the men. Meals are furnished to the group by the King Cafe.

County Judge A. H. Hunt, county chairman of the Salvage Committee of Randall county, urges that all citizens in Randall county report scrap metal which has not been turned in.

The platoon has cutting torches and loading crane so that iron and steel may be cut to shipping size. There is no old machinery in the county too large for this crew to handle.

Fiftieth Wedding Anniversary For the B. F. Machens

The 50th wedding anniversary of Mr. and Mrs. B. F. Machen was observed on Nov. 23.

The couple was married at Lampasas. They have lived in Randall county for 28 years. Mr. Machen is Justice of the Peace in precinct No. 1.

Mr. and Mrs. Machen have four children: Mrs. Henry Prichard, Roy, N. M., Joe Louis Machen of Hanford, Wash., Mrs. B. R. Gardner of Amarillo, Mrs. Ima Jean Bostick of Hanford, Wash.

Mrs. Prichard and Mrs. Gardner were the only children able to be here for the anniversary celebration.

Jerrie Vee Slack Is Buried Here Thurs.

Jerrie Vee Slack, nine weeks old daughter of Mr. and Mrs. Tom V. Slack, Jr., died at Perryton Wednesday morning at the Perryton hospital. Death was caused by flu which developed into pneumonia.

The funeral was held Thursday afternoon at 3:30 o'clock in the First Baptist Church in Canyon, Dr. Roy L. Johnson officiating.

Pall bearers were: Clay Cooper, Bob Black, Willard Middleton and Fairy Hill. Interment was in Dreamland Cemetery.

Surviving are the parents, and one sister, Sidney, age 4; the grand parents, Mr. and Mrs. T. V. Slack, Sr., and Mr. and Mrs. J. J. Wright. The father was a football Buffalo football player and is former coach in the Perryton high school. The mother was the former Myrtis Wright.

Members of the family coming for the funeral were: Joe Slack of Wichita Falls, Mr. and Mrs. Herbert Slack of Clovis, Mrs. Jean Slack Lockhart of Turkey, Miss Jimmie Slack of Kress, Miss Sarah Slack of Amarillo, Mr. and Mrs. Sterling Slack of Perryton; Mrs. J. H. Gooch, Edgar Gooch, Mrs. Weldon Stringer, all of Harrell; Mr. and Mrs. Jim Cleland of Tulia.

New B-C Gasoline Coupons are Being Issued for 5 Gals.

Starting yesterday new B and C gasoline coupons are being issued by the local gasoline panel of the Ration Board.

The new coupons are good for five gallons, instead of for two gallons, which is the value of the old coupons. The increase in value of the coupons does not increase the amount of gasoline allowed each person, but reduces the amount of work for the vehicle owner, the service stations and Ration Boards.

The new coupons are B-2 and C-2. Those who have not used B-1 and C-1 coupons should not turn them into the office. They are good until further notice.

Permits on the new coupons are good for three months.

Maurice Crain Is Uninjured When Plane Exploded

The first letter from Sgt. Maurice Crain, prisoner of war in Germany, was received by his wife last Wednesday. She wired his parents, Mr. and Mrs. W. H. Crain, of the letter.

The letter was written July 30. He was shot down June 22. He will be allowed to write two letters per month.

Sgt. Crain was gunner on a Flying Fortress. He landed without a scratch, and revealed that he was one of only a few American prisoners who escaped without wounds. His plane exploded in air, but most of the crew escaped.

Mr. and Mrs. Crain were very grateful for this first authentic news regarding their son since it was announced that he was a prisoner of war.

Veteran In Merchant Marine Visited Here

Mr. and Mrs. C. L. Herrington and daughter, Phyllis, Mrs. Jack Hall and Mr. Hewin Gamble of Amarillo visited Mr. and Mrs. C. L. Gordon-Cumming during the week. Mr. Gamble is a nephew of Mrs. Jack Hall and has spent the last eight years in the Merchant Marine.

He has just been released after a two months stay in a hospital in Galveston, where he recovered from the effects of a German torpedo, which blew him against a stack of rope injuring his back.

He had two ships sunk under him, helped bring in a tanker which barely held together, was bombed twice, has been in eight big submarine attacks, and spent seven days and nights on a life boat in the Caribbean Sea.

He attended grade school in Amarillo, also West Texas State College.

Davis Family Has Plenty Car Trouble

While coming from Floydada to spend Thanksgiving at the parental Henry Bradford home, Mr. and Mrs. Lon Davis had two blowouts, ruining two casings.

On the way home, a pickup cut around their car near Tulia, forcing a gasoline transport off the highway which hit the underpass. The gasoline exploded. The Davis car could not be stopped, but was going fast enough to carry the car thru the flames. Paint was burned from the body of the automobile, but fortunately neither Mr. or Mrs. Davis were burned.

R. P. Hales Moves To Hale County

R. P. Hales is moving to Hale county on January 1. He is the son of H. B. Hales, prominent Holstein breeder, who has made such an enviable record in the Southwest. The father will continue operating in Randall county, but the son will develop a new herd from the foundation which he will move to his new home in Hale county.

STORK SPECIAL

A daughter was born to Mr. and Mrs. Joe Frank at an Amarillo hospital Nov. 22.

A daughter was born to Pvt. and Mrs. J. W. Dunaway at an Amarillo hospital Nov. 21.

A son was born to Mr. and Mrs. John Robinson, Nov. 24 at an Amarillo hospital.

Snow and Rain; Little Moisture

Snow Is Blown From the Wheat Fields Over the Greater Part of County

Randall county received its first snow of the winter Friday. Snow covered the ground about three inches deep in places which were able to hold the snow. However, farmers report that much of the snow was blown from the wheat fields, where it was so badly needed. East and west roads were badly drifted.

The moisture amounted to .65 of an inch in Canyon.

A fair rain fell before the snow, and this did a considerable amount of good over the county.

The total moisture for 1943 now stands at 12.29 inches, which is the lightest in several years. This rain and snow was the only moisture for November, and October and September were likewise very light. There will be no wheat pasture for cattle, and the prospects for a wheat crop next year is very poor.

The temperature dropped to 17 degrees above zero Sunday morning and 19 Monday morning.

Lt. Milton Crow Gets Mention In Press Dispatch

Lt. Milton Crow was given honorable mention in an Associated Press dispatch regarding the war in Italy.

Lt. Crow was a sergeant in Company F when the National Guard was mustered into federal service. He was given an opportunity to attend Officers Training School and came out with the bars of a Lieutenant.

He is now commanding an infantry company with the Fifth Army, which has been advancing against the Germans.

War Stamps Not Make Chain Any More the Legal

Chain letters on War Stamps is against the regulations of the post office department. The department has ruled many times against chain letters, and the fact that war stamps are used makes no difference.

A Canyon citizen wrote the Post Office Department regarding such a chain, and was advised that it was strictly against regulations. Those who receive such letters are requested to ignore such chains.

Father of Owen Williams Died at Anton on Saturday

Owen Williams was called to Anton Saturday by the sudden death of his father, C. J. Williams. Mr. Williams had been slightly ill for a short time and was sitting in his chair at home when taken by a heart attack.

The funeral was held Sunday afternoon.

The deceased moved from Canyon 16 years ago. He was a teacher at Anton for several years but recently has been secretary of the school and the county.

Owen has two half brothers and one half sister.

Aviation Meeting Will Be Held in Amarillo Dec. 7-8

The Southwestern Aviation Conference will meet in Amarillo Dec. 7-8. Government officials and officials of the various air lines of the Southwest will discuss various problems of aviation in the future.

Every town is asked to send delegates to this conference. The registration fee will be \$6 per person attending.

MARRIAGE LICENSE

Johnnie B. Grate and Miss Louise Adrow, Nov. 27.

Mrs. W. B. McElwee and children of Lubbock spent Thanksgiving at the Leslie Key home. She will be remembered as the former Helen Hurst. Mr. McElwee will be inducted in the army next Monday.

HOSPITAL BOUND

Unloading a wounded soldier from an assault boat near the front in New Guinea. This man will soon be taken out to a modern hospital where American doctors and nurses will give him the best of care. These men are battling for you in the steamy, fetid jungles of the South Pacific. Are you backing them up by buying War Bonds?

Feed Situation Is Discussed Last Nite

Dairymen Making Estimate of Amount Needed to Take Care of the Situation

The distribution of all oilseed meal and cake for livestock feed was placed on a certificate basis by War Food Administrator Marvin Jones, Monday, November 29. This was done on the insistence of cattle men in this and other areas where they had been having trouble securing protein feeds for their livestock.

At the same time Judge Jones placed the entire Panhandle of Texas in a critical feed shortage area and thereby made the Panhandle eligible to receive allotments of soy bean meal from the stocks reserved to the Commodity Credit Corporation from beans being milled in Texas and Oklahoma cotton oil mills. This soy bean meal reserved by the Commodity Credit Corporation is usually used to supply other states and is not distributed in cotton oil mill territory. However, the Food Administrators order now places the Panhandle of Texas on a par with the States where no oil mills are located for the distribution of Commodity Credit Corporation owned reserves.

A telegram was received in the County Agent's office yesterday stating that no allotment had yet been made to the Panhandle from this source. We are hopeful that some of this meal will be allotted to Randall county in response to a request wired to the State AAA office Sunday. This hope is based very largely on the special need in Randall county for feeding dairy cows for the Amarillo and Canyon milk supply. About 30 dairy farmers met with the County Agent Wednesday evening to assist in estimating the need and in making application for additional allotments of meal from the Commodity Credit Corporation source. The dairymen assisted with a first hand survey of production and the losses from feed shortage during the past sixty days. This data is being forwarded today with the Randall county application for meal to be directed to Canyon and Umbarger in an effort to make it available to this community without the necessity of farmers living in the South and West part of the county, making the long trip to Amarillo.

It is reported that a sufficient supply of soy beans are available from the corn belt to keep the Texas and Oklahoma mills, who hold milling contracts, running until midsummer of 1944. If these estimates are correct there should be almost enough meal to supply all the most critical need for protein feed provided some more orderly method of distribution can be worked out. The need for a better method was the reason for a the request by the cattlemen for the certificate system.

Livestock owners are warned that the new distribution does not create any additional supply and any improvement will require several weeks to give the new system a chance to work.

Five Men Called For January Is Great Surprise

Members of the Selective Service local board were surprised to receive the January call for men Monday morning. It was announced in the morning newspapers that the call for January would be double the December call. However, only five men were called. They will leave for Lubbock on the afternoon of January 17.

The December call is for 19 men, who will leave on the afternoon of December 29.

The local board is meeting this afternoon in order to send notices to men who will be ordered for induction on the December call.

In spite of the bill which has been passed by Congress relative to the induction of married men with children, the local situation will not be changed. All of the single men and men without children who are not engaged in essential occupations have been inducted and there are none left except boys who are becoming 18 years of age and men who were pre-Pearl Harbor fathers.

Four Canyon Men Meet in Africa

According to a letter from Mrs. Ray Cole of Dallas, four Canyon men have recently met in North Africa.

Mrs. Cole's husband, Chief Petty Officer Ray Cole, is back on operations after a trip to Africa. There he met Lt. C. E. (Bill) Cone. Lt. Cone had just met Captain Al Baggett and Major Craig Walling, former star athlete of W. T.

Mrs. Cole states that Ray is due for a trip home about Easter.

NAVY DOCTOR ON VISIT

Lt. (j.g.) O. J. Richardson, M. D., of the U. S. Navy visited his sister, Mrs. Frank Begert and brother, Roscoe Richardson of Umbarger, the early part of last week.

Dr. Richardson was en route to Camp Elliot, San Diego, Calif., for a few months basic training before active service with the Marines in the South Pacific.

DR. BROWN IN DALLAS

Dr. H. A. Brown is spending this week in Dallas holding a state clinical meeting of the American Naturopathic Association. Dr. Brown is president of the state association and vice-president of the national association.

Mrs. Archie MacAlpin left Friday for New Mexico where she is spending ten days with Mr. MacAlpin, who is with the government geology department.

Mr. and Mrs. J. O. Parker and children of Wayside spent Thanksgiving in the parental G. G. Foster home.

Men Are Leaving Start Training

Three Groups of Local Boys Will Leave to Start on Military Training

Robert Mack Rogers will leave tomorrow to report to the Marine Corps. He was recently accepted at Lubbock.

Those leaving on December 7 for Fort Sill to begin their training in the army are: Walter Wright Campbell, Leroy Lytell Wooten, Harmon Robert Fulton, Jr., James Leroy Wesley, Louis Alfred Fleschute, Jr., John Henry Mariner, Jr.

Homer Sutton Dameron, Ray Talmage Boseley, Dannie Mack Gillham, Paul Glen Turner, E. J. Parsons.

Donald Allen Schaeffer will go to Fort Sill on December 8.

Pastor's Home Provided in the Church Basement

Living quarters for the pastor are being finished in the basement of the First Baptist Church.

Six rooms were finished in the northeast corner of the basement. The work was done so that the rooms may be converted into Sunday School rooms at such a time that the Church builds a separate parsonage for the pastor.

Dr. Roy Johnson states that the living quarters are entirely adequate for his family and are very comfortable.

Workmen are plastering rooms in the basement of the church making rooms for various functions of the denomination.

Donald Foster Is Granted Commission

Robert Donald Foster has been granted the commission of 2nd Lieutenant in the Air Corps. He is in the weather department. He has been in training for 10 months at the University of Southern California, Los Angeles.

Lieut. Foster has received a short leave and will visit in the home of his parents, Mr. and Mrs. R. E. Foster, Sunday. He will report for duty at the Amarillo Army Air Field.

Mrs. Weeks' Mother Died at Goodlet

Mrs. C. M. Whatley of Goodlet, mother of Mrs. Ed Weeks, died early Sunday morning after an illness of several weeks.

Funeral services were held Monday afternoon at the First Baptist Church of Goodlet.

WRITES FROM ITALY

Mrs. Hattie M. Brasuel received a letter from her son, Cpl. Charles D. Brasuel, yesterday. It was written from Italy on Nov. 4.

He is in Company F and described the hot reception which the American troops received when they landed in Italy.

November Sales Below the Quota

Citizens Urged to Buy Extra Bond Anniversary of Jap's Sneak Attack

People of Randall county will Remember Pearl Harbor on Dec. 7. This is the second anniversary of the dastardly attack of the Japs on the United States, plunging us into this World War.

Last year on Pearl Harbor day citizens of Randall county bought \$26,100 of War Bonds. The amount should be much larger this year due to the fact that the quota for November was not reached.

With a quota of \$26,600 for November, the sales amounted to only \$17,025.

RANDALL COUNTY WAS SHORT \$9,575 FOR THE MONTH.

The quota for December has not been received, but it is presumed that it will be about the same as for November.

Admiral Visited His Sister in Canyon Tuesday

Admiral J. O. Richardson spent Tuesday at the home of his sister, Miss Mary Moss Richardson. He is executive vice president of the Navy Relief and came to Texas to accept a check for \$25,000 from the citizens of Houston.

Miss Richardson states that this was the first time she had seen her brother in uniform since his wedding day.

The Navy Relief was founded in 1904. Since Pearl Harbor the magnitude of the work has become nation-wide.

Admiral Richardson pointed out that since organization of the president's committee the association has not solicited funds but has accepted voluntary contributions when offered.

Missionary to Speak at Baptist Church in Two Services

Miss Vada Waldran, missionary to Argentina, will speak at the First Baptist Church of Canyon Thursday afternoon at 3:00 and Thursday night at 7:30, December 2. The public is invited to hear her. The country where she works has been much in the press in recent months and has been almost a "sore spot" for the United Nations and any first-hand information about it will help in the understandings of its people and problems. It is a South American neighbor and neighbors get along better when they understand each other. Many therefore ought to hear this missionary's message about Argentina.

Wendell Willkie refers to the missionaries from America as the "creators of a reservoir of good will" and many think they are the real harbingers of international peace and brotherhood. It is good to know them and hear of their work.

Canyon Takes on the Christmas Spirit in Store Decorations

Christmas decorations were put up in practically all Canyon business houses following the Thanksgiving holidays.

Outside lights are discouraged this year by government regulations. However, window dressings and light are encouraged to keep alive the Christmas spirit.

In spite of the fact that the war is on, children of the nation should not be deprived of the pleasures of Christmas.

The variety and quality of toys on the market have been greatly reduced by war regulations. Stocks of Christmas merchandise are not so plentiful this year as in the past. But otherwise, Christmas will be observed throughout the nation.

Funeral of Mrs. D. E. Davis on Friday

The funeral for Mrs. D. E. Davis was held Friday afternoon at 2 o'clock at the Baptist Church, with Dr. Roy L. Johnson officiating. Mrs. Davis died on Tuesday afternoon of last week at an Amarillo hospital.

Interment was at Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home.

Surviving are the husband and twelve children.

Lottie Rolls of Amarillo spent the holidays with Mrs. C. N. Tippery.

Did you read about the Prussian officers in Life? If so, you have something to think about. If you haven't better get a copy. Prussian officers are running the war in Germany. They are brought up to be military leaders. They knew that they were whipped before the end of World War I, but started planning for World War II. They know they are whipped now, but are planning for War III. In other words, as long as Prussia remains dominant in the military life of Germany the world may expect other wars. Americans used to feel sorry for the poor mistreated common people of Germany, but no longer can we approve of a system of government which allows a small faction of any nation to plunge the world into costly wars. No doubt the recent conference in Moscow considered the future of Prussia. Just supposing: If Russia took over Prussia, how long would it be until these warlords organized Russia for the purpose of whipping the world? They have failed twice, but the resources of Russia are far superior to those of Germany. We hope Secretary Hull was well advised about this historical background before entering into agreement as to a permanent policy on Prussia.

The treatment of Woodrow Wilson by the American people should be fresh in our minds as another political campaign gets underway. We kicked away the peace in 1919 by refusing to follow anything that Wilson advocated. It rather seems that the people are pretty much fed up on Franklin D. Roosevelt and his ambitions for a 4th term. In its resentment against the continuation of one man in office, we should not forget that the good of the Roosevelt administration should not be thrown to the wind simply because we do not wish to see one theory of government perpetuated indefinitely in office. A return of the Old Deal might be more disastrous than a continuation of the New Deal. Naturally the isolationists will attempt to wrest the nomination for the Republican party away from Willkie, because he is too close to Roosevelt, and has a foreign policy too closely aligned with the President. The unfortunate disaster following Wilson's bid for permanent peace should be in the foreground as we start plans for the 1944 political contest.

A man who is well known to Canyon people as an almost complete failure while a resident here is now classified as a shipyard worker as a skilled mechanic, after four months' service, and draws \$462 per month. He was doing well to make \$50 a month during the time he lived here. This is another example as to why you must buy more bonds to keep the war going. This is another reason why inflation is on the way. No one would argue for a minute that the laborer was not worthy of his hire, or that every workman should not be paid for his knowledge or ability to produce for the war effort. Who is the man who will stand up and defend such a practice of paying untrained men \$462 per month simply because they have bought a membership in a union? Of course the ardent New Dealers believe this is the way to win the war.

British and American pilots are certainly doing a fine job in bombing Berlin. You will recall that Hitler promised the Germans that planes would never bomb the holy land of Germany. As a matter of fact Hitler made the Germans many promises which have never been kept. But who would expect such a liar to tell the truth?

The best immediate treatment for chemical burns is to flush away the chemical immediately with lots of water.

Few men are as lucky as they seem or as unlucky as they think they are.

A good way to relieve the monotony of your job is to think up ways of improving it.

General's Kin

Red Cross recreation worker Virginia MacArthur, above, is ready for overseas Army camps after a hitch at Fort Dix, N. J. A cousin of that well-known general, she used to be a U. of Texas instructor.

We are told that it will be necessary for government regulations to continue for years following the close of the war. This is pure poppycock, advocated for New Dealers who want to continue their jobs. Remember how quickly this nation changed from a peace-time to a war-time basis? Manufacturing plants were soon converted and were turning out war machines in short order. The machinery for these goods was not destroyed, but set aside awaiting the return of peace. When peace comes we are told that 53 million war workers will be thrown out of jobs and will be seeking new jobs; in addition 12 million or more service men and women will be released for civilian jobs. With this vast army of workmen available, manufacturers will soon be able to swing back into production. It will not be long after peace is declared that the markets will be swamped with goods of all kinds—provided the people have any money with which to buy. There are many in Washington who hope to tax away all of the surplus that the people have so that they cannot buy after the war. That would be a fine way to start another depression so that governmental control of our everyday life would be assured.

We still believe that the military leaders should run the war. The case of General Patton is very unfortunate in so far as no officer should strike an enlisted man. He should have turned this discipline over to a hard boiled sergeant, who could do a better job. But the fact that General Patton was humiliated to the extent of issuing an apology should have ended the matter. Those of us who were in World War I know that a lot of men turned yellow at critical moments, and harsh treatment was necessary. The fact that General Patton is a highly nervous man who drives his army should be taken into consideration. To punish a man who has made retribution for his mistake of the moment shows a very uncharitable national attitude. If Congressmen wish to punish someone connected with the war, why in the name of common sense do they not turn their attention to the bunglers who are within the nation instead of jumping on an efficient field officer whom we need so badly?

Wendell Willkie came to Texas and kidded and joked with the people. Good naturedly he stated that he did not expect to see Texas go Republican in 1944, but he threw the gate wide open and invited the Democrats to help elect him President in 1944. Willkie made a fine impression while in the state. He would not have spent the major part of a week in Texas if he had not been hopeful of results. He remembers that Texas once voted Republican, and could do so again if Roosevelt is the nominee. Willkie makes a much better speech than he did four years ago, although he lacks the personal charm and magnetism which the President possesses. His foreign policy is much more like the President's than any of the other potential candidates. He is the only candidate on the horizon who might be able to corral the Democratic votes.

The people of this nation are under the threat of the administration that unless they get behind Congress and force the passage of a bill allowing subsidies that the cost of living will skyrocket within a few months. Mrs. Roosevelt has printed prices which will prevail unless the New Dealers are allowed to spread millions of dollars around the nation in the form of subsidies. The administration fails to recognize the fact that when it yielded to John L. Lewis and allowed labor prices to advance that right then the whole price structure was smashed and inflation was on its way. While the administration is professing to be interested in holding the line against further inflation, wonder if it does not intend to punish Congress and the people who are opposed to subsidies by allowing prices to run wild? We shall see what we shall see.

The News has received much praise for our stand against the New Deal, which has usurped the Democratic party. Only two protests have been received. Naturally we do not assume that all of the other people agree with us in the declaration that the New Dealers have left the Democratic party and are more interested in re-electing Roosevelt for a fourth term than they are in the success of the Democratic party. This editorial has been reprinted in a number of newspapers, and will appear in the December issue of a Texas magazine.

Congress is making a wild effort this week to whip into shape provisions for the soldier vote in 1944. Again we say: Congress will be sorely disappointed in the results. If the war is still on the soldiers abroad will be interested in just one thing: Winning the war so they can come home.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she will receive two brown points, beginning December 13. "But most important," Herbert M. Faust, Director of WPB's Salvage Division said, "Within a month the fat will be transformed into war materials and on the way

to the fighting fronts." He reminded housewives to save grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CIVILIANS TO GET CANNED GOODS

Increased supplies of canned pineapple, canned grapefruit juice, asparagus, corn, pumpkin, spinach, tomatoes, beans, and figs will reach retail markets within a few weeks, the War Food Administration said recently. They are supplies owned and held by canners, but set aside for Government purchase, which have been released to civilians.

SUSPEND SLAUGHTER QUOTAS

To facilitate marketing and slaughter of record numbers of livestock produced by U. S. farmers, slaughter quotas (for civilian consumption) until further notice have been suspended by the War Food Administration.

MUST COLLECT POINTS FOR PORK

Although WFA has temporarily lifted all its restrictions on the amount of pork a farmer may deliver to persons living off his farm, he must continue to collect ration points for all rationed meats, OPA said recently. If pork is transferred point-free, it means that a great deal of this food will find its way into the black market and will be unavailable to legitimate consumers.

REDUCE BEAN PRICES

Reductions up to two cents a pound in wholesale and retail prices for dry edible beans will result from recent OPA action reducing the price spread between country shipper and wholesaler. Country shipping point prices remain unchanged.

WOOL RESTRICTIONS LIFTED

With only two exceptions WPB has lifted all its restrictions on use of raw wool. Finer grades of alpaca may not be used except for military purposes, and only carpet wool and mohair may be used for floor coverings.

SERVICE BUTTONS BEING DISTRIBUTED

Plastic gold-coated lapel buttons for wear on civilian clothing, to signify honorable military service on and after the declaration of a period of national emergency, September 9, 1939, are being distributed to issue agencies throughout the country, the War Department has reported. The insignia on the button is an eagle within a circle, the wings extending beyond the circle's edge. Persons whose army service has been terminated under honorable conditions will be permitted to wear the insignia.

SEED POTATO CEILINGS

Maximum prices for domestic and imported "certified" seed potatoes have been set by OPA at \$1 above established ceilings for U. S. No. 1 tablestock potatoes, and for "war-approved" seed potatoes at 50 cents above tablestock potatoes.

CAN HOLD SHOES 30 DAYS

Without ration payment dealers may not hold shoes bought on a will-call or lay-away plan, or by

special order, longer than 30 days after they become available for delivery, OPA has announced.

REQUESTS FOR PENICILLIN

The War Department never has controlled penicillin nor received the entire output, Surgeon General Norman T. Kirk of the Army Medical Department explained recently. A civilian request for penicillin, the new drug which prevents the growth of infection bacteria, should be made through the civilian's doctor. The doctor should communicate by telegram, telephone, or personal letter with Dr. Chester S. Keefer, Evans, Memorial Hospital, Boston, giving complete details of the case.

CONTROL OF APPLE SALES

Sales by apple growers and shippers who package their apples in boxes with a net weight of not more than 26 pounds are not under price control if not more than five boxes are sold at one time to one buyer and if shipped by parcel post or express. However, when these packages are resold by wholesalers and retailers, they are under price control, OPA said.

WESTERN GASOLINE AIDS ATTACK

Gasoline drawn largely from west coast and Rocky Mountain areas is powering land, sea, and air attacks on Bougainville and bombings of Rabaul, according to OWI on the basis of Army and Navy statements. Gasoline also is saving our wounded men by enabling them to be flown in transport planes to hospitals far behind the lines.

COLLEGE ENROLLMENTS DROP

Enrollments in colleges and other institutions of higher education this year are more than one-quarter below the 1940 peak, according to a preliminary survey by the U. S. Office of Education of the Federal Security Agency. This year's total of about 1,110,500 persons is eight per cent below last year's figures. Of those enrolled this year almost one-quarter have been assigned by the armed forces for specialized training.

INCREASE COAL PRICES

Anthracite coal ceiling prices have been raised by OPA an average of 62 cent a net ton at the mine. Increases range from 35 to 70 cents a ton, depending on the size of the coal. On June 1, 1944, the new ceilings at the mine will be reduced by an average of 28 cents a ton, leaving net increases of about 34 cents a ton. The exact amount of these increases can be passed on to the consumer. Purpose of the approximately six months of higher ceilings is to compensate mine owners for the retroactive feature of recent wage increases.

CARD OF THANKS

We take this means of expressing our sincere appreciation to those who so kindly assisted us in any way in the loss of our wife and mother.

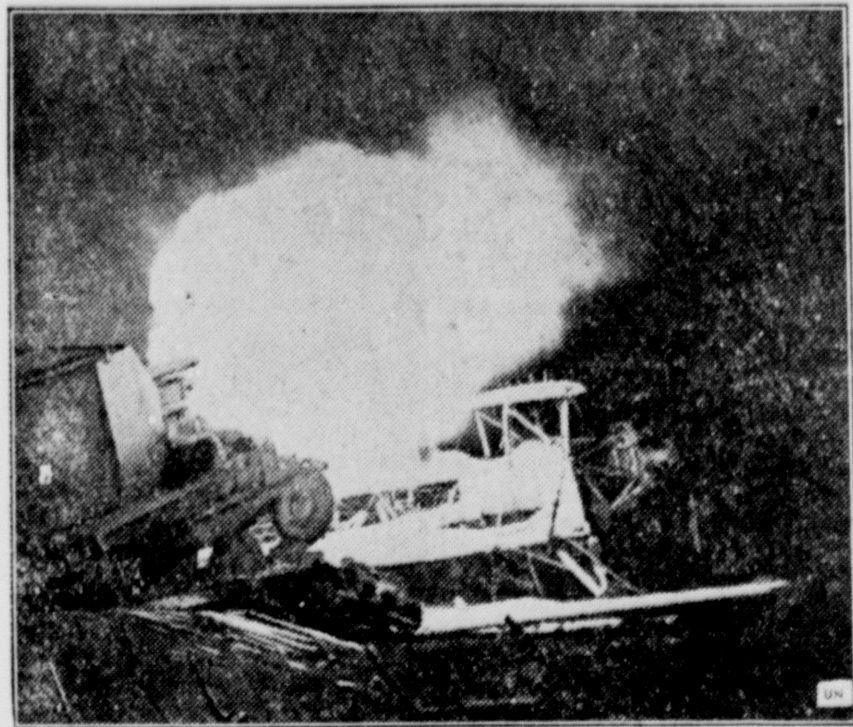

Especially do we wish to thank the ladies of the Baptist Church, and to our many friends and neighbors who contributed to our many comforts, also for the beautiful floral offerings. May God's richest blessings rest upon each of you who so loyally stood by during our darkest hours of sorrow.

D. E. Davis and family, Archie Davis and family, Mr. and Mrs. Ray Blair, William Davis and family, Gladson Davis and family, Mr. and Mrs. Jimmie Carney and family, Mr. and Mrs. Argel Brawner and son, Mr. and Mrs. Herman Spraberry, Mr. and Mrs. Ray Moreau and family.

A six-inch scratch may mean a six foot grave. Treat those small cuts immediately.

Horseplay is the enemy of safety, and there is no room for it in wartime.

Ghostly Effect

CAPTURED AIRFIELD WRECKAGE is brilliantly lit up a British "Bishop" tank blasts across the Volturno River in Italy before its recent crossing by troops of General Clark's 5th Army. The tank chassis, on which one of the famed British 25-pounder field guns is mounted, has been run up on airplane wreckage to give it extra elevation.

Boys Aren't Only Things That Grow Tall at W. T.

Victory Gardens proved to be of value to people all over the United States last summer, but that popular hobby was also of great value to several of the West Texas State College employees.

Last spring, President J. A. Hill told the labor force that he would furnish the grounds and water to all who wanted to make victory gardens. Some four or five of them availed themselves to small areas on the campus, and here is the outstanding result of their efforts. Mr. H. Cook produced the vegetables on a plot of ground 72x80 feet: Snap beans, table beets, carrots, sweet corn, English peas, black-eyed peas, cucumbers, lima beans, tomatoes, turnips and greens, squashes, radishes, and Irish potatoes made a total number of 50 bushels.

Grocers of Canyon say that he would have paid approximately 80 dollars for these vegetables at the prices which prevailed when the foods were marketable. Since there are 43,560 square feet in an acre, Mr. Cook raised all his vegetables on less than 1-7 an acre. Using artistic ability in with the practicality of gardening, Mr. Cook had a border of beautiful flowers on two sides of his garden.

Another janitor grew corn 11 feet high and okra 9 feet high. So it seems that West Texas State is not

only the home of the original "Tall boys," but those who have the vim and vigor are also making it the home of tall vegetables.

Mrs. X, who had two sons in the Marines and a daughter in the WACs, was visiting a farm when she came upon a youth of draft age milking a cow.

"Young man," she asked sternly, "why aren't you at the front?"

"Cos there ain't any milk at that end, missus," was the calm reply.

When you are about to oil, clean, or adjust machinery, always make sure it would be impossible for someone to set it in motion while you are in a dangerous position.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To Mamie Sterling, Defendant.
Greeting.

You are hereby commanded to appear before the Honorable District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of January A. D. 1944, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of October A. D. 1943, in this cause, numbered 1790 on the docket of said court and styled C. L. Sterling Plaintiff, vs. Mamie Sterling Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff sues the defendant for divorce on the grounds of harsh, cruel and unkind treatment and excesses and outrages to such extent as to render their further living together as husband and wife insupportable. Plaintiff asks for the care and custody of the minor children of plaintiff and defendant, named in the petition filed herein. Plaintiff asks for the homestead of the family to be set aside to him and the minor children. That the homestead consists of 50.25 acres of land out of the North One half of the North West quarter of Survey No. 152 Block 2 A. B. & M. Land in Randall County, Texas, where plaintiff resides as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due

return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas this 19th day of November A. D. 1943.

Attest:
(Seal) A. B. HOLT, Clerk,
District Court,
Randall County, Texas.

P. T. A. STUDY CLUB WITH MRS. D. M. FOSTER

The regular monthly meeting of the Parent-Teacher's Study Club was held in the home of Mrs. D. M. Foster, Thursday. The lesson for the afternoon was "The Family Stake in Freedom."

Mrs. R. A. Neblett led an interesting and beneficial discussion concerning family life. She stated that "Good sportsmanship demands that anyone who shares the benefits of a situation shall also share its responsibilities. Some want to share the benefits without sharing the routine. A parents attitude toward work and his manner of doing it is readily transferred to the child. Parents should take the lead in establishing the importance of sharing. Young children grow thru sharing the family tasks whenever they can."

The hostess served a dessert course with coffee to Mrs. R. C. Hillier, Mrs. W. W. Nicklaus, Mrs. Burney Slack, Mrs. Robert Jones, Mrs. R. A. Neblett, Mrs. Ray McReynolds, Mrs. Kermit Schramm.

LEAVITT FAMILY HAS REUNION THANKSGIVING

Mr. and Mrs. J. J. Leavitt of Happy gave a dinner Sunday for Mr. Leavitt's sister and family, Mr. and Mrs. Russell Morgan, Donna Bell and Donald, of Flint, Mich.

Also present were Mr. and Mrs. Leroy Cranston and son of Flint, Mrs. Mary Leavitt, Mr. Leavitt's mother of San Jose, Ill., Jimmie Don and Carl Fowler of Dodge City, Kan., Mr. and Mrs. Bill Sims and family of Happy, Mr. and Mrs. Don Smith and Donna of Tulsa, Mr. and Mrs. C. J. Leavitt and family, Mr. and Mrs. Harold Leavitt and family, and Mr. and Mrs. Leroy Leavitt of Canyon, and Wilbur Leavitt of Happy.

Sheriff M. E. Cantrell attended a meeting of county and city peace officers with F. B. I. officers which was held in Amarillo Monday and Tuesday.

John Allen of Ft. Sumner, N. M., spent Tuesday here with T. A. Black. The two are owners of Allen & Black.

PRESBYTERIAN AUXILIARY MET NOVEMBER 23

The Ladies Auxiliary of the Presbyterian church met November 23 for a regular program and business meeting.

The devotional was led by Mrs. L. L. Monroe on "Great Peace have they who pray without ceasing." The burden of the lesson was that the majority of the peoples of the world are hopeful for peace through the lofty ideals of power of prayer. Admonition to continue in prayer and to hold fast to that inner peace. "My Peace I give unto you, not as the world giveth, would bring the ultimate reward."

Mrs. M. E. Cleavinger read the "Unforgettable Disciples" which shows that the faith and good works of a good steadfast character will not stay hidden even in the most adverse situations.

Mrs. Robert W. Jones gave information of missionaries and their work, principally in the missionary schools of North Carolina. She plead for continued work of missionaries in these doubtful times. Mrs. Jones also told of the good the missionaries are doing, and of the activities of the missionary schools of North Carolina.

The meeting was closed with a prayer by the president, Mrs. Harvey Cash.

DELORES WAMSER AND W. A. PAUL, JR., WED

The marriage of Miss Delores Mary Ann Wamser and Lt. Wilmot Alton Paul, Jr., took place Saturday afternoon Nov. 6 in the chapel of the Army Radio School at Tomah, Wis. Lt. James T. Bard, chaplain officiated.

Mrs. Paul wore a baby blue wool two-piece dress, the bodice being studded with small rhinestones. Accessories in brown included a felt picture hat with a Chantilly lace veil, doekin gloves and alligator shoes and handbag. A corsage of gardenias and pink button mums completed the ensemble.

The bride, daughter of Mr. and Mrs. Herman Wamser of Belleville, Ill., is a graduate of the Belleville High School and Washington University. For the past year she was employed by the Army Air Forces, as an instructor in radio.

Lieutenant Paul, son of Mr. and Mrs. Wilmot A. Paul, formerly of Canyon, is a graduate of West Texas High School and West Texas State College. He is also a graduate of the Army Air Forces Technical School at Scott Field. He is now stationed at Tomah, for advanced radio work.

H. R. FULTON IS HONORED ON BIRTHDAY

Mrs. H. R. Fulton entertained with a buffet luncheon in honor of her husband's birthday, Nov. 23.

Turkey and all the trimmings was served to Mr. and Mrs. J. P. Upchurch, Mr. and Mrs. M. H. Rockwell, Mr. and Mrs. Harry Krabbe, Mr. and Mrs. Ora May, Mr. and Mrs. L. J. Fulton and Joan, Mr. and Mrs. Alvin McDonald and Debra, Mr. and Mrs. Wayland Angel, H. R. Fulton, Jr., Miss Ava Jo Moreman, and the host and hostess. Little Miss Debra McDonald gave two vocal numbers after which "42" was played.

High score went to Mr. and Mrs. J. P. Upchurch.

ROSE WALKER CIRCLE MET WITH MRS. LAUGHERY

The Rose Walker Circle met Tuesday in the home of Mrs. Carl Laughery. The meeting opened with a song and prayer and the devotional by Mrs. Anderson.

Mrs. McCrerey led the review of the Bible study. Fifteen members were present: Mesdames Cooper, Steen, Burnett, Black, Dowd, Fain, Key, Reid, Anderson, McCrerey, Combs, Ruthart, Anthony, Gill, and Laughery.

According to a letter received Tuesday by Mrs. George Vineyard, Sgt. Vineyard had landed overseas, probably in England. He is in the Engineering Corps.

**IF HEAD COLDS
HANG-ON**

DO THIS! To relieve discomforts, one of the best things you can do is put a good spoonful of home-tested Vicks VapoRub in a bowl of boiling water. Then feel the wonderful relief come as you breathe in the steaming medicated vapors that penetrate to the cold-congested upper breathing passages! See how this soothes irritation, quiets coughing, and helps clear the head-bringing grand comfort.

FOR ADDED RELIEF... rub throat, chest and back with VapoRub at bedtime. Vicks VapoRub works for hours—2 ways at once—to bring relief from distress. Remember—it's Vicks VapoRub you want.

INTRODUCING Tabor Rodger Stone, three-month-old son of Lt. and Mrs. Harvey L. Stone. Lt. Stone is stationed at Tarrant Field at Fort Worth. The grandparents are Mr. and Mrs. Guy Tabor of Canyon and Mr. and Mrs. W. E. Stone of Amarillo.

ACHIEVEMENT DAY HELD BY ZITA H. D. CLUB

The Zita Home Demonstration Club held its Fruit Achievement program in the home of Mrs. E. A. Michael, Nov. 23.

Mrs. J. P. Upchurch, club president, called the meeting to order. The club pledge was repeated after the club prayer, followed by the singing of "God Bless America."

Mrs. Forrest Gruner gave an interesting talk on the varieties of fruits for our locality. She illustrated the story of two farmers, one who tried and one who said that fruit trees could not grow here.

Mrs. Wayland Angel gave a talk on the kinds of strawberries to grow and how to plant them. She observed that they should be planted on a ridge and watered at least twice a week. The everbearing Mastodon is one of the best for this country.

Mrs. B. E. McCormick gave a summary of the year's work. The members had canned 1199 quarts of fruit, 2316 quarts of vegetables, and 358 quarts of meat, stored 22½ bushels of Irish potatoes, 13 bushels of sweet potatoes, 6 bushels of onions, and ½ bushel of carrots. During year the club had fifty-six guests, five new members and lost four. The club won first place on exhibit in Canyon this fall.

Mrs. Michael gave a summary of her year's work. She had put out a strawberry bed, planted some fruit trees, completed a storage cellar for her canned food and filled it with 500 containers. In her estimation, the enlarging of her home was the best year's achievement.

Open faced pumpkin sandwiches, pickles, pumpkin pie and coffee were served to Miss Phyllis Albers, Mrs. Lonnie Byars, Mrs. M. H. Rockwell, Mrs. Rufus Ziegler, Mrs. Angel, Mrs. McCormick, Mrs. Gruner, Mrs. Emma Gruner, Mrs. E. P. Upchurch, Miss Frances Wilroy and the hostess.

MRS. KLEINSCHMIDT HAS FRIDAY BRIDGE CLUB

Mrs. J. W. Kleinschmidt entertained the Friday Bridge Club Friday evening from eight to eleven-thirty. After enjoying bridge, knitting and music, refreshments of holiday salad, pineapple pudding and coffee were served to the following members and special guests:

Mrs. Lee Foster, Mrs. R. A. Neblett, Mrs. Tom Knighton, Mrs. Guy Harp, Mrs. Clifton Jarrett, Mrs. Bill Smith, Mrs. W. C. Black, Mrs. Clyde Warwick, Mrs. Ray Campbell, Mrs. Travis Shaw, Mrs. M. S. Bishir of Pampa, Mrs. I. B. Caruth of Bonham, Mrs. Brooks Cole of Greenville, and Mrs. O. J. Laas of Plainview.

COUNCIL OF CHURCH WOMEN MET TUESDAY, NOV. 30

The Little House of Fellowship was the scene of the meeting of the Council of Church Women, Tuesday, Nov. 30.

In charge of the program was Miss Mary Moss Richardson who discussed "World Relations." She emphasized that we must have unity and unity makes all one.

Tea and cookies were served by the Episcopal ladies to the guests.

A Christmas program, featuring famous Christmas stories, will be presented.

Mathematics Subject of Talk Tuesday at Rotary Luncheon

C. A. Murray was in charge of the Rotary Club luncheon Tuesday discussing mathematics.

He displayed a book on mathematics. The problems were unearthed in Egypt and date back from 1700 to 3500 B. C. The originals are well preserved and on display in London.

Mr. Murray traced the origin of numerals and the development of the various systems.

The difference between the various methods of figuring interest was shown, and other mathematical problems were shown on the blackboard.

Miss Peggy McNeill of Panhandle sang two solos, accompanied by Miss Mary Hodges of Tulsa.

Visitors were: Wallace Hill of Hereford; Bob Lindsay of Borger; N. F. Nelson and Ross D. Rogers of Amarillo; Miss Edna Graham of Canyon.

Wayside Items

Subsidies Discussed Tuesday at Lions Club Luncheon

Canyon Lions Club was favored with a very interesting and instructive talk by County Agent Walter Upchurch at the Tuesday luncheon. Government subsidies and the government's efforts to bring about an orderly inflation provided the basis for his discussion.

Mr. Upchurch stated that subsidies have been known since early Roman times. Local examples of subsidies mentioned included the giving of land to the railroads to induce them to build in this section of the country and the giving of land and money by the citizens of Canyon to bring the college here.

Subsidies are justified if the good they do outweigh the harm, according to Mr. Upchurch. One distinct harm is that the granting of subsidies often gives special benefit to a political party.

The food subsidy is the first nationwide, 100 per cent subsidy ever tried. Its purpose, Mr. Upchurch said, is to hold down the cost of food to the consumer without cutting off production.

The present fight in Congress is over what subsidies are to be used for, Mr. Upchurch stated. Farmers believe that ceiling prices should be raised in the same amount as the cost of production rises. Subsidies should be used only to maintain the balance between the cost of production and the price the market is able to pay.

Mr. Upchurch stated that food subsidies are the result of War Price Board action, while the parity program in agriculture is the result of legislative action. Parity placed ceiling and floor prices on products. It also provided for reserve storage of excess production.

According to Mr. Upchurch, the reserve stocks of wheat have been used down to normal, with the bulk of this reserve having been used for hog and poultry feed. Very little of this wheat has been, or will be, shipped to Europe.

Mr. Upchurch stated that the increase in food cost to the coal miner amounted to about \$10 per year, yet the miner has been granted a wage increase of \$1.50 per day to meet this increase.

Miss Dorothy Jean Jennings of Trinidad, Colo., visited in the home of her parents, Mr. and Mrs. Cas Jennings over the Thanksgiving holidays.

Mrs. E. W. Woods and Patsy of Pittsburg, Calif., are here visiting in the home of her sisters-in-law, Mrs. Ed Mickel and Mrs. R. O. Moore, and her sister, Mrs. Cecil Simms. Mrs. Woods and Patsy will go from here to Corpus Christi to visit E. W. Woods, Jr., who is soon to receive his Wings.

Letter From Reader

Editor, Canyon News,

This is such a lovely morning it makes me feel like I would love to say something good about some place and somebody.

So as I am in California, I will start out by bragging on Calif. It is a wonderful state and lots of wonderful people are in it. Oh yes, and by the way, we can say the same for Texas—especially the people—for I don't think we could hope to find better people anywhere than there are in Texas. I think Canyon has its full share of the good people judging by the ones we met during our 15 months there.

The difference as I see it here and there is mainly the weather. Since July 15th the hottest it has been here on the beach is 78 and the coldest so far is 50. The only rain we have had here fell on October 18th and November 17th, both being light rains.

I wish to say in conclusion that your paper has been very prompt in getting in on time and we enjoy it very much. Your editorials are just fine and while we are not homesick for Texas, we do hope to have the pleasure of visiting there some day and feel the warm hand clasp of our good old Texas friends once more.

I don't know if you can read this, so you can print it or not, if you can, fine, if you can't—oh, well, no harm done.

Yours for a better tomorrow,
W. J. Holtzclaw, 110 29th St.,
New Port Beach, California.

Mr. and Mrs. F. E. Savage visited in the home of their son, Winston Savage, of Pampa, during the holidays.

Mr. and Mrs. Robert C. Taylor of Childress spent Thanksgiving at the home of her mother, Mrs. Berl E. Mayfield.

WHO ELSE WILL HELP THEM IF YOU DON'T?

REMEMBER PEARL HARBOR, DEC. 7

If you're like most people, you're waiting around to "let George do it." Sure, you've contributed SOMETHING, but you've got the idea in the back of your mind that there are millions of other people all over the United States who are contributing, too.

The thing you've got to remember is that those millions of other people are pretty much like yourself. They're expecting the other fellow to carry on the work, which adds up to a handful of folks to give all they've got and a multitude of once-or-twice contributors.

Men don't go to the battlefield once or twice. Women and children don't experience the wartime starvation and illness once or twice. The job we've got ahead of us—the job of winning this war—calls for the kind of people who give all they've got! Not once or twice. Get the habit of including the war in your budget. Be thankful you don't suffer the horrors, the realities of war right in this country. Be thankful that all you're asked to do is give.

Keep fit by buying your foods regularly at the Bellah Food Store. We shall help you keep fit and sound.

Students and Faculty Observe Joyful Thanksgiving Holiday

With shouts of "Hallelujah," students were dismissed from Canyon High last Thursday to observe the traditional Thanksgiving holidays. Turkey, stuffing, and other seasonal delicacies that make up the typical American Thanksgiving meal were in the minds of all, but because of rationing this treat was limited.

Highlights of the turkey day included the annual Sandie-Harvester game played in Pampa, with a few Canyonites attending. Some who could not venture from home attended the community church service at the First Christian Church in which various denominations participated. Those who were more fortunate made trips to visit friends and families.

Also enjoying the Thanksgiving holidays were the teachers of Canyon High and Grade School. While the majority spent a pleasant Thanksgiving in Canyon, a few traveled elsewhere. Miss Hazel Kingsley went to Decatur; Miss B. C. Crabtree, Happy; Mrs. Bob Orton, Turkey; Mrs. Stella Murrell, Pampa; Mr. W. G. Sanderson, Littlefield; and Mrs. Kenneth Parmelee and son, Xan, Dombey, Okla.

Wherever students and teachers were present this Thanksgiving, each paused to give thanks for being an American, and for sharing a degree of America's prosperity.

Activities were resumed last Monday as the students returned to school.

Welcome

Canyon High School wishes to extend a hearty welcome to the new students who enrolled here last week.

Hailing from Happy, Texas, are Francis Davis, senior; Laura Lee Davis, junior; Wayne Davis, eighth grade; and Donald Davis, seventh grade.

Other newcomers are Joyce Carter from Silverton, who is in the eighth grade; Glenna Faye and Kenneth Finley from Sherwood, Oregon, seventh and eighth grades; and Bill Drummond, junior, from Canyon.

PRISONER ESCAPES

It's early morning in occupied Europe. Through the wakening stillness a series of shots ring out, marking the beauty and quietude of the rising sun. Another fortunate prisoner has escaped his Nazi captors—the hard way.

Tragedies like this are common place in Nazi-held countries. So is the brutal massacre of thousands of Jews just to satisfy Hitler's blood lust, and the mistreatment of European women for his soldiers' pleasure.

With the approach of the Christmas season near, it would be in order to consider the brutality into which mankind has fallen. What can you do? Plenty. When you give War Bonds or Stamps for Christmas, every man, woman, and child who hates the barbarism of the Nazi regime shares in your gift. Each penny invested in War Bonds will shorten the war, maybe save their lives as well as many of our soldiers.

So remember, what better Christmas present could there be than a share in digging Hitler's grave? Give War Bonds and Stamps.

The site for the current basketball tournament this year will be the grade school gym the 17th and 18th of December. Invitations have been sent to the following teams: Dimmitt, Dumas, White Deer, Stratford, Friona, Happy, Hereford, Tulsa, West Texas High, Vega, Bovina, and Price Memorial. As yet none of the teams have had time to answer. There will be first and second place trophies as well as individual awards.

Congratulations to Bobbie "Cutie" Black, who was elected volleyball sweetheart. The election was held at the half of last Tuesday's basketball game.

Skatin' n' Slidin'

Ain't it more fun to slide on icy streets when it snows, that is if you don't bust your er-uh, I mean if you don't bruise yourself?

Coach Sanders has perfected a new workout practice for the basketball squad, the general idea is never to shoot the ball, but pass it round and round. Hard work isn't it boys?

Let's Back 'Em

Yep, the Eagles are going to play another major high school team next Tuesday night in the grade school gym. Their strong opponents are to be the Friona Chiefs. Coach Sanders stated, "The Chiefs are going to be a hard team to beat. Since the Eagles do their best when there are lots of Canyonites to cheer them, everyone who can, back our home team, so that we can add another decisive victory to our list."

Reduce Moisture Content

In making lard, the moisture content must be reduced to about 2 per cent to insure keeping quality, and cracklings must be well browned before this stage is reached. Meat scraps scorch easily so they should be removed before the lard is rendered.

Juniors Prepare Annual Presentation

J. B. Speer Attends Thanksgiving Convention of National Educators

Mixing business with pleasure, Supt. J. B. Speer spent his Thanksgiving in San Antonio where he attended the National Education Association meeting, held annually during the Thanksgiving season.

Principal speaker for the convention was Mrs. Edith B. Joynes, president of the association, who spoke on "The Needs of Education During the War." One quotation she made was, "Those who believe that a nation can be both ignorant and free believe that which has never been and never will be." Thomas Jefferson. Mrs. Joynes will be in Amarillo, December 1, and Panhandle teachers are urged to hear her speak.

On Saturday Mr. Speer attended the Texas School Administrators luncheon, where former Canyon Public School Superintendent I. B. Carruth was elected president of the association.

"Attendance at the meeting was much better than anyone expected and almost every section of the state was represented."

"I enjoyed the trip very much and I believe it was extremely profitable," said Mr. Speer.

Squadmen Suffer Primary Defeat

Trailing by one point, the Eagle basketball team suffered their first defeat of the season at the hands of the West Texas Farmers. The whistle ending the game found five tired Eagles unable to rack up another point to equal the 25 tallies claimed by the Farmers.

High point man for the Eagle cagers was Max Bosley with eight points to his credit, followed closely by Leslie Gordon with seven.

"I would like to have another game in the near future with the Farmers," stated Coach Sanders.

Bill Brown and Charles Owens, both former Eagle squadmen, refereed the game which was played in Burton Gym.

FFA Class Plans Banking Project

Future Farmers of Canyon High School decided in a meeting last Wednesday to start a thrift bank and a pig project. Through this bank, members will be able to borrow money from the chapter fund. Ray McDonald was appointed thrift banker.

For a project, the chapter is going to buy weaning pigs, fatten them, dress them, and sell halves to town people.

One hundred per cent participation in the Junior Red Cross drive and the War Stamp purchases has been attained in the first year FFA class.

Not All on Radio

Dr. Charles Earle Funk estimates there are one million words in the English language. He explains that no dictionary includes anything like this number of words but in speaking of the "English language" one must consider all the so-called Anglo-Saxon words, all technical words, all slang words throughout the centuries and a number of other categories. Dialects and localisms and all the words used by English-speaking people among themselves in whatever corner of the globe also must be included.

Attention

Attention all ex-students of Canyon High School!

C. H. S. extends a most cordial invitation for all of you to be present at the homecoming assembly, Friday, December 3 at 12:30. A special program has been planned, and will be presented by a group of exes from West Texas State College.

Every person who has ever attended Canyon High in previous years is heartily urged to come.

GRADE NOTES

Mrs. Tom Collins' first grade has a new pupil—Marvin Findley, from Sherwood, Oregon.

Room mothers of Mrs. Bob Orton's first grade gave the children a surprise party and served individual pumpkin pies and hot chocolate.

Many thanks go to room mothers: Briggs, Money, and Reeder from Mrs. Roscoe Davis and her second grade for the party given to them Wednesday afternoon. The room mothers served refreshments of animal cookies and apples.

Popcorn and punch were served to students of Mrs. Stella Murrell's second grade at a party Friday afternoon in their room.

Roller skating, paper sack lunch, and popcorn were among the items enjoyed by the third grade pupils of Mrs. Houston Doughty.

Mrs. Goodman's third grade participated in a skating party.

Betty Jean Graham, in charge of the program, entertained Miss Florence McMurray's fourth grade Wednesday afternoon. Miss McMurray served the students candy after the program. This class has donated \$5.00 to the Junior Red Cross.

Every student had a part in the drama presented by Mrs. Cousins' fourth grade. A mural, which had been prepared before the program, decorated the walls. After the program the group sang "America" accompanied by Ted Nicklaus on his violin.

Billie Rae Carter makes a new addition to Mrs. John Davis' sixth grade.

All of the intermediate department, including the fifth and sixth grades, combined their Thanksgiving programs. Each section acted out a small drama, characteristic of Thanksgiving.

Coal is an important source of material for the plastics industry. The prospects for a tremendous increase in the volume of plastics production will render the future for coal derivatives extremely bright, if every effort is made to maintain research, reduce basic cost of manufacture, increase yields, and produce a varied and flexible number of intermediates.

Reformer

There is one kind of reformer who does not come to you in person and kindly try to persuade you. He gets a law passed and sends a constable.

A wonderful romance can be carried on via love notes. If you won't take my word for it, just ask Kathryn Jo Love and Charles Lee Evans. They know!

Class parties are fun, aren't they? I'll bet M. E. Rhodes and Gracie Boyd think so. A little bird told me that they had a simply super time at the freshman shin-dig. I wouldn't swear that this is so, but—could be!

J. Ray Hunter, you'd better watch your step! Harley Hicks goes for little girls in a big way! Anyhow, he's certainly got his eye on Peggy Head.

Don't tell me that THAT romance is starting up again! Yes, I'm talking about that one between Kathryn Davenport and Andy Walsh. I wonder. . . .

Tough luck, girls! We knew that Wallace Huff would have to break down some day and ask someone for a date, but we didn't have any idea he'd ask a lassie outside our little scholastic realm. Oh well, we're glad he chose a Canyon High ex-student anyway.

P. S. Georgia Faye Holt was the lucky girl.

New Yorker Enjoys Symphony and Eggs

If any of you have not caught a glimpse of our new instructor, Mrs. Kenneth C. Parmalee of New York City, look for an attractive woman about five feet five inches tall, blonde hair, blue eyes, and a ready smile.

Symphony heads her music preference list while scrambled eggs and ice cream are her favorite foods. Mrs. Parmalee's choice pastimes are reading and writing letters. Confidentially, she has an active correspondence with 125 people.

Mrs. Parmalee, her small eleven months old son, her sister, and her parents, Mr. and Mrs. W. B. Miller, live here in Canyon.

Homemakers Try Culinary Science

Last Wednesday morning the second year homemaking students prepared and served a dinner in the dining room of the department.

Mary Canada took the place of the host; Geraldine McCutcheon, that of hostess; and Miss Avanelle Hill, student teacher of the class, guest of honor. Others seated at the table were Pauline Ruthardt, Reabeth House, Kathleen Hillier, Betty Evans, and Bonnie Drake. Betty Harwood and Mildred Simms were waitresses.

Included in the menu were meat balls and spaghetti, green beans, Spanish slaw, corn bread muffins, orange sherbet, and milk. In the decorations, the Thanksgiving motif was carried out.

Play Introduces Student Talent

Angel and Sanders Direct Junior Amateur Players

Have you ever been dead? The late Mr. Early was — or so he thought—killed in an airplane accident. Imagine, if you can, a husky young man, very much alive, who believes himself dead. Then go further and imagine a beautiful young lady who agrees with him. If you can conceive of such characters, you still can't imagine the plot of "The Late Mr. Early," to be presented by the Junior Class of Canyon High School on Friday night, December 10.

It's the kind of play that hasn't a sane moment in it from beginning to end; the kind of play written for laughing purposes only.

Early Is Flyer

Don Early, played by J. Spencer Winn, is a reckless young fool who doesn't know the meaning of the phrase "Safety First." He's engaged to marry a sweet young thing, Alice Sewell, played by Ellen Sanders, who sits at home and trembles every time he goes up in his plane—a flimsy old crate he's patched together. When he crashes for the third time, while skylarking with his girl friend's girl friend, Doris Hull, played by Margaret Lair, well, that's just too much for his pals. They decide to teach both Don and Doris a lesson—and what a lesson it turns out to be.

Haines Does Strip

Add to this a strip-tease by Vergie Haines, dancing lessons given by Betty Brown, a funeral directed by Charles Zeller Taylor, a lesson in chess by Charles Ray Kelso, and you have only a small portion of the laughs included in "The Late Mr. Early."

Miss Irene Angel and Mrs. Dan Sanders, class sponsor, are co-directors of the play.

Honorable Discharge Men To Be Given Service Button

An honorable service button to be worn on civilian clothes has been authorized for men and women separated under honorable conditions from active duty in the Navy, Marine Corps and Coast Guard.

The design is the same as that authorized by the War Department for those honorably discharged from the Army, thus standardizing the emblem for all persons honorably separated from the armed forces.

The button will be issued without cost to both officer and enlisted personnel separated from the service under honorable conditions since September 9, 1939. Former Naval personnel may apply for the emblem in person at any Naval Training Station, Receiving Station, or Hospital, or in writing to the Bureau of Naval Personnel, Navy Department, Washington, D. C. Those who served in the Marine Corps may apply at any Marine Corps procurement office or write to the Commandant, U. S. Marine Corps, Washington, D. C. Former Coast Guard personnel may call for the buttons at District Coast Guard offices or write to Coast Guard Headquarters, Washington, D. C. They will be available for distribution after November 30.

Former enlisted personnel must present or forward their discharges as evidence of their eligibility to receive this award. The discharge will in all cases be returned together with the honorable service button. In the case of officers the original and one certified copy of the orders placing them on an inactive status are required.

Those being honorably discharged or separated from the service in the future will receive the honorable service button at the time of their separation.

There were many optimistic souls who thought the long fight against loan sharks had been won when the recent legislature gave the Attorney General and district attorneys the power to ask injunctions against 250 per cent racketeers. But those who thought that the loan sharks would give up without a struggle did not take into consideration the ruthless determination and the cold, inhuman greed of the tribe.

Without commenting on the mer-

its of any legal questions involved in the lawsuit, it does seem strange that the sharks—after violating the provisions of the Texas Constitution for years—have actually appealed to the courts that are set up under the very Constitution which these leeches have flaunted and are asking that the Attorney General and district attorneys be prevented from putting the new law into effect.

Thousands of dollars, even tens of thousands of dollars, for attorneys' fees and expenses would be "chicken feed" compared to the \$30,000,000 which is estimated as annually extorted in usury in this State—a toll which the sharks want to be allowed to continue to levy.

Christmas Services at Baptist Church

Pastor Roy L. Johnson announces special Christmas services at the First Baptist Church of Canyon for every week until Christmas. The sermon subjects are designed to reacquaint the hearers with the true significance of the coming of Jesus into the world, and such an understanding is certainly needed to comfort and cheer the many weary hearts in today's war-torn world. The public is invited to hear all these messages which will be as follows:

December 5: "Five word-pictures of Jesus." "Names and Titles of Jesus."

December 12: "The Messiah the Jews Expected." "The Desire of all Nations."

December 19: "Why God became a Baby." Cantata by the choir, "The Music of Christmas."

Morning preaching service begins at 11:00 and the evening service at 8:15. Sunday school is at 9:45 and Training Union at 7:15. Wednesday pray service is at 7:45.

"No," said the girl returning from a date with a Navy man, "I don't know what his rank was, but I think he was chief petting officer."

ADVICE

If the OPA won't give you new shoes And the soles on your shoes are about to lose,

Come down to Pope's Shoe Shop, we'll fix them for you

A boot or a BY GOSH (Galosh) or any kind of shoe.

So round up old Punchers and bring all the boys

'Cause we don't care if they make a lot of noise, (much)

Bring the women folks too, we will fix their shoe

And give them nice work, that is excelled by few,

You gotta hand it to the ladies, now and all the time

Especially in an argument about a good shine.

Yes, We have a nice shine boy (one you just can't beat

To get a shine from him, well! it's Really a treat

So give us a trial, if you're not satisfied

We'll give you back your money and say that we tried.

BOOKS

—and a word about Books

Never has there been such a demand for good books. But unfortunately the shortage of labor and shortage of paper has restricted the publication of hundreds of good books which the people would like to have.

A representative of Warwick's combed the wholesale houses of Dallas last week and bought all books available. We have a good selection of books—but they will not last long.

CHILDREN'S BOOKS

Visit our book department and see hundreds of bright new volumes which have never been shown in Canyon. These Children's Books are of the better class, and are in great demand. If you expect to give children's books this Christmas, make your selection early.

NEW COPYRIGHT BOOKS

We are sorry that we are not able to get all of the new books as they come from the press. Popular books in the east are gobbled up by the anxious readers before they reach the wholesale markets of the Southwest. But we are doing our best to fill your needs.

BIBLES: *Here again we hit a stone wall. Bibles can hardly be secured. We have a good selection, but a lot of people will be disappointed if they do not buy now.*

CHRISTMAS SHOPPERS: *Do your shopping early in December and mail your packages so that they will not be delayed.*

WARWICK'S

Keep this in mind

By reason of a grave wartime shortage of fuels, Uncle Sam's Office of War Utilities requests every user of Natural Gas to economize in the use of this vital war fuel this winter.

To win the war as quickly as possible, essential war plants must have all the gas they need all the time. A slight sacrifice on the part of all gas users will make this possible.

By saving gas you also save critical materials, equipment and manpower.

Keep the heat on Hitler. Do not waste it at home—Use Less Natural Gas. Uncle Sam says: "Use what you must, but save all you can!"

"Make America Christian," Is Pastor's Slogan
Dr. Roy Snodgrass, pastor of the First Christian Church in Amarillo, spoke Tuesday night at a gathering of the men of the Methodist Church. W. W. Nicklaus was in charge of the program. Reports of various church officials, including the pastor, Rev. C. C. Armstrong, were made.
Dr. Snodgrass criticized the prevailing slogan: "Keep America American." This slogan sounded too much like we were satisfied with conditions which exist. Some of these conditions were pointed out by the speaker: One-third of the citizens are underfed and underclothed; more profiteering in this war than during World War II; no provision for the negro soldiers around our Army camps; 50% of the people of the nation not identified with any religion; some cities spending twice as much for liquor as they do for education.
"Is this the kind of an America we want to keep," asked the speaker.
Dr. Snodgrass proposed the slogan, "Make America Christian."
He pointed to the movement in the Methodist church as the greatest enterprise of the country. The members are studying peace proposals which will outlaw war and the seeds of war. When peace comes, Methodist bishops will lead a million members in writing members of Congress demanding that this time the nation will not be sold down the river as we were 25 years ago. At that time it was possible to write an enduring peace, but the people repudiated Woodrow Wilson.
"When we make the nations Christian, there can be no more wars," stated the speaker.
International financiers were blasted for the part they had in making possible the rise of Hitler, Mussolini and Franco.
The Church is the only influence in Germany which has dared stand out against Hitler. "Men of America must stand by their church," proclaimed the pastor.
